

Organizing trips...

It is not enough only to visit Montenegro. Take advantage of your staying here to get familiar with its natural beauties, historical and cultural monuments located in coastal and as well as in central and northern part of the country.

We are suggesting you to take the trip over Adriatic coast starting at Herceg-Novi, through Kotor, Budva, Petrovac and Sutomore to Bar and Ulcinj. There is also a national park Skadar lake plentiful in flora and fauna, winter ski centers Å½abljak and Durmitor extremely attractive during the winter and summer, unique Tara canyon. It is also advisable not to miss rafting through Tara canyon, the largest in Europe and the second in the world just after the Grand Canyon in Colorado. You have an opportunity to feel on your skin prodigious amount of adrenalin running through your veins during the rafting on river Tara rapids.

The capital of Montenegro - Cetinje and Njego's mausoleum on Lovćen are places with impressive history and also valuable to visit.

Something what you shouldn't miss to visit during your staying in Montenegro is our largest church the monastery Ostrog nearby Nikšić. Hundreds of thousands of tourists no matter of their religious beliefs visit this monastery during the year. Your visit to Montenegro should be blessed by bowing the remains of St. Vasilije Ostroški...

After your request we can organize the trip anywhere in Montenegro by air-conditioned and comfortable car.

We are also suggesting you organized trips by small boats all over the gulf and as special advantage there is possibility of renting the yacht.
